Toyota Financial Services

Voluntary Protection Products, Planning Tools, Financing and Lease-End

Site, brochure and guide extract compiled 24 October 2026

Primary source: https://www.toyotafinancial.com/us/en/vehicle_protection_plan/tire_wheel_protection.html

Incorporates the uploaded files: the T&W Gold, Platinum and Key Replacement brochures; the VSA Platinum, Gold, Powertrain and Platinum BEV brochures; the GAP brochure (09/26); the Toyota Auto Care, ToyotaCare Plus (MY26, BEV and Mirai) and Toyota Service Care brochures; the 60-page protection-product web text; the ToyotaCare Plus Service Drive page; and the consolidated protection guide.

Duplicates removed. Five uploads were byte-for-byte copies of others (the T&W Gold, Platinum and Key Replacement brochures and the VSA Platinum brochure each arrived two or three times), and the ToyotaCare Plus Service Drive page is also part of the 60-page web text; each is used once. Facts shared by many plans (roadside assistance, transfer, cancellation, ineligible vehicles, administrator text) are stated once in the section that governs them instead of being repeated under every plan.

Scope note. This is a summary, not a contract. Section 14 lists conflicts between sources, and Section 15 shows tab-by-tab capture status.

Contents

- **Part A - Tire & Wheel Protection**
- 1. Overview and options | 2. Gold | 3. Platinum | 4. Key Replacement | 5. Obligors and legal text
- **Part B - Other Voluntary Protection**
- 6. Which plan is right for me? (hub)
- 7. Vehicle Service Agreements: plans, eligibility and shared provisions
- 8. Guaranteed Auto Protection (GAP)
- 9. Prepaid Maintenance Plans
- 10. Excess Wear & Use Protection
- 11. How to File a Claim
- **Part C - Planning Tools, Financing and Lease-End**
- 12. Planning Tools, Explore Financing, End of Lease
- 12A. Current rebates, cash incentives and special financing (as of 24 Oct 2026)
- **Part D - Reference**
- 13. Appendix A (VSA covered components) and Appendix B (inspection checklist)
- 14. Conflicts and gaps between sources
- 15. Complete navigation and capture status
- 16. Contacts, corporate information and source files

1. Tire & Wheel Protection - Overview

Page headline: **Keep things rolling.** The road can add a few more hazards to the list. **Ensure a smooth ride:** tires and wheels are covered for damage from eligible road hazards, and the coverage is also available for the all-electric bZ.

Options

Option	What it includes
Gold	Tire & Wheel only
Platinum	Adds Paintless Dent Repair and Windshield Repair
Key Replacement Protection	Add-on to Gold or Platinum, or stand-alone; available at time of vehicle purchase
Optional Cosmetic Coverage (brochures)	Cosmetic wheel repair for nicks and scrapes; shown on both the Gold and Platinum brochures

General benefits (both plans, per brochures)

Benefit	Detail
No aggregate dollar limit	No cap on total covered claims value
No mileage limitations	Coverage is not mileage-restricted
No deductible	Nothing to pay per claim
One-time transfer	Transferable once to another owner in a private sale (web page: at no cost; dealers excluded)
Term	Available for up to six (6) years

Availability

- For new, Certified Used and used Toyotas, at time of lease or purchase.
- Sold only through a participating Toyota dealership at the time of financing.
- Optional, cancelable (subject to agreement terms), not required to obtain credit, and **not insurance** (brochure wording).

2. Tire & Wheel Protection Gold

Brochure headline: **Protection from the unexpected.** Helps preserve your vehicle's beauty and performance and minimize worry and out-of-pocket costs. Brochure reference 14007D (05/25).

What you receive

- **Strength of Toyota:** coverage of eligible damage from an operational or structural failure due to a defect in material or workmanship, repaired with quality parts and service.
- **Tire repair or replacement** for damage from eligible road hazards such as nails, broken glass, tree limbs or potholes.
- **Wheel replacement** if the wheel fails to hold a seal with your new tire.
- **Unlimited claims:** no limit on covered structural damage claims; replacement tires stay covered if they meet manufacturer size specifications.
- **Associated costs** covered: mounting, balancing, valve stems, disposal/environmental fees and taxes.

Potential savings (example)

Item	Without Gold	With Gold
Replacement of damaged tire	$250	$0
Replacement of wheel	$430	$0
Towing to the nearest Toyota dealer	$60	$0
Coverage of associated costs (brochure: estimated labor and costs of multi-component claims)	$35	$0
Estimated out-of-pocket expenses	**$775**	**$0**

Illustrative only. Replacement cost estimates come from Safe-Guard Products International, LLC (2025), based on claims data from May 2024 to February 2025 and MSRPs for 2025 Camrys. The web page describes towing as up to $100 reimbursed.

Brochure: Tire & Wheel Protection with Optional Cosmetic Coverage

Section	Detail
Replacement of tires and wheels	Covers replacement from structural damage due to road hazards (nails, glass, potholes, rocks, debris) or a defect in material or workmanship. Also covers associated repair costs and continued coverage for the replacement tire or wheel.
Cosmetic wheel repair (optional)	Covers repair of nicks and scrapes on wheels. Limited to sanding, painting or refinishing, without adding material or bending/straightening the wheel. Limited to six (6) individual wheel repairs during the agreement term.
Additional benefits	Towing up to $100 per occurrence. No limit to the number of covered structural damage claims.

Section	Detail
Brochure exclusions	Damage to tires with less than 3/32 inch tread when damage occurs, normal wear and tear, vandalism, and road conditions in construction sites/zones. Repairs without prior authorization are excluded. Additional exclusions may apply.

Web page: what you need to know

Topic	Detail
Coverage	Repair or replacement of tires or wheels for defects, eligible road hazards, and associated costs; replacement tires remain covered.
Towing	$100 per eligible claim to the nearest authorized dealer, or the cost to change to your spare.
Transferability	Once, at no cost, to a private party (not dealers).

Brochure link name: T&W Gold Brochure (TFS-TW-Gold-06.25.pdf).

3. Tire & Wheel Protection Platinum

Brochure headline: **Protection from the unexpected.** Features protection products selected to preserve your vehicle's beauty and performance while minimizing worry and out-of-pocket costs. Brochure reference 14012D (06/25). Includes everything in Gold. Platinum is not available in all states.

Potential savings: the example table is identical to Gold's ($250 tire, $430 wheel, $60 towing, $35 associated costs, $775 total without the plan, $0 with it); see Section 2.

Tire & Wheel Protection with Optional Cosmetic Coverage

Identical to the Gold brochure: tire and wheel replacement for road-hazard structural damage or defects, associated repair costs, continued coverage on replacements, optional cosmetic wheel repair (six repairs maximum, sanding/painting/refinishing only), towing up to $100 per occurrence, and unlimited covered structural claims.

Paintless Dent Repair Protection

Item	Detail
Removes minor dents and dings	Permanently removes minor dents and dings up to four (4) inches. Web page: specialized hand tools gently push dented metal back to its original form, in an accessible body-panel area.
Hail damage coverage	Up to the dollar value of your comprehensive damage deductible (if the claim is filed with your primary insurance) or $1,000, whichever is less. Not available in all states.
Additional benefits	No limit to the number of covered claims.
Exclusions	Dents larger than four inches in diameter, not in an accessible area, or not repairable by the paintless process; vandalism; repairs that would affect or damage the paint or finish; repairs without prior authorization. Additional exclusions may apply.

Windshield Repair Protection

Item	Detail
Repair of minor chips and cracks	Front windshield chips and cracks caused by propelled rocks and other road hazard debris while driving on public roads, streets and highways.
Unlimited repairs	Unlimited front windshield repairs during the coverage period.
Exclusions	Windshield replacement; damage to areas other than the front windshield; stress cracks or cracks over six (6) inches; damage from hail, vandalism or neglect; damage that, if repaired, would obstruct the driver's line of sight; damage to the inside of the windshield (web page). Not available in all states.

Web page: what you need to know

Qualifying criteria, coverage, towing ($100 per eligible claim) and transferability match Gold, with Paintless Dent Repair and Windshield Repair added. Brochure link name: T&W Platinum Brochure

(TFS-TW-Platinum-06.25.pdf).

4. Key Replacement Protection

Web page tagline: **We've all lost our keys. Rest easy.** Brochure (14501D, 09-25): the plan covers protection for lost, damaged or stolen keys. **Available at the time of vehicle purchase as a stand-alone product or as part of a Tire & Wheel Protection plan.**

General benefits

Benefit	Limit
Replacement of the covered vehicle key/remote	Up to $800 per occurrence
Vehicle lockout protection (web page: lock-out assistance)	Up to $100 per occurrence (brochure)
Towing assistance	Up to $100 per occurrence
Substitute transportation reimbursement (taxi, rental, public transportation)	Up to $75 per occurrence
Replacement of additional non-programmable keys	Up to $250 per lost key claim; limit three (3) occurrences

Coverage exclusions may apply

- Replacement keys if two (2) master keys were not provided at time of vehicle lease/purchase.
- Keys damaged but covered by a manufacturer's, repairer's or supplier's warranty or recall.
- Any replacement keys made without prior authorization.
- Costs associated with reprogramming the vehicle's main body engine control unit (ECU); web page also lists keys inoperable due to malfunction.
- Aftermarket keys or remote devices (brochure).
- Key Replacement Protection may not be available in all states; not all vehicle models may be eligible.

Brochure link name: Key Replacement Brochure (TFS-TW-KEY-09.25.pdf).

5. Obligors, Administrators and Legal Text

Tire & Wheel (Gold and Platinum brochures)

Role	Entity
Obligor (default)	Toyota Motor Insurance Services, Inc. (TMIS), 6565 Headquarters Drive, Plano, TX 75024; Texas license number 143
Obligor - Georgia, New Jersey, New York, Vermont	Toyota Motor Services Company
Obligor - Massachusetts	The selling dealer
Obligor - Florida	Toyota Motor Insurance Company (TMIC), 6565 Headquarters Drive, Plano, TX 75024; Florida license 02871
Administrator	Safe-Guard Products International, LLC, Two Concourse Parkway, Suite 500, Atlanta, GA 30328
Administrator - Florida	Safe-Guard Warranty Corporation, Florida license 60126, same address

Key Replacement (brochure)

- Depending on state, coverage is a service agreement or a motor club membership.
- Service agreement obligor: TMIS (Texas license 143); in Florida, TMIC (license 02871).
- Motor club obligor: SafeRide Motor Club, Inc., 13901 Midway Road, Suite 102-429, Dallas, TX 75244-4388.
- Administered by Safe-Guard Products International, LLC; in Florida, Safe-Guard Warranty Corporation (license 60126).

General legal statements

- Purchase is optional, cancelable (subject to agreement terms) and not required to obtain credit.
- Transactions are governed solely by the applicable service agreement or motor club membership; brochures are general information and should not be solely relied upon.
- Coverage may vary by state; not all vehicle models may be eligible.
- Eligible road hazards: debris such as nails, glass, potholes, rocks and tree limbs, or any object or condition not normally found in the roadway, affecting a tire's ability to hold air or a wheel's ability to seal with a new tire.
- Reimbursement is based on the average regional retail market for a genuine manufacturer-approved or similar-quality tire or wheel.
- Available only at time of financing at a participating Toyota dealership.
- (c) 2025 Toyota Motor Insurance Services, Inc. Toyota Financial Services is a service mark of TMIS and its subsidiaries; products are administered by TMIS or a contracted third party.

6. Which Plan Is Right for Me? (Voluntary Protection Hub)

Headline: **We've got you covered.** Competitive service agreements, maintenance plans and a variety of products. All are optional, cancellable and not required to obtain credit.

Plan-finder quiz

Question	Options
1. How far along are you in the buying process?	Still shopping / Recently purchased or leased
2. Buy or lease? (or did you buy or lease?)	Buy / Lease
3. New, Certified Used or Used? (lease: new or Certified Used)	New / Certified Used / Used Toyota

Products and quiz results

Product	Summary
Vehicle Service Agreements	Help cover eligible repair costs due to mechanical failure outside the standard warranty.
Guaranteed Auto Protection	Helps cover certain expenses if the vehicle is declared a total loss.
ToyotaCare Plus	Prepaid plan covering scheduled maintenance, major services and 24-hour roadside assistance.
Toyota Auto Care Classic	Prepaid maintenance and roadside assistance for the term; only available when you purchase the vehicle.
Tire & Wheel Protection	Covers tires damaged by eligible road hazards.
Excess Wear & Use Protection	Helps protect against lease-end charges; no claims to submit, no deductibles; coverage may vary by state.

The site shows four products each for New Vehicles, Toyota Certified Used Vehicles and Leased Vehicles (Vehicle Service Agreements, GAP, Prepaid Maintenance, Tire & Wheel). Related FAQ: Voluntary Protection Products are sold above and beyond the vehicle price; purchase is optional, cancelable and not required for credit.

7. Vehicle Service Agreements (VSA)

A VSA helps cover repair costs from mechanical breakdown after the factory warranty expires. Platinum is the highest level and covers the most parts (brochure: up to 1,100 vehicle parts); Gold covers many parts beyond Powertrain; Powertrain focuses on engine, transmission, axle assembly and related components. Coverage is secondary to any manufacturer warranty or other valid repair agreement. Brochure references: Platinum 11015D (05/26), Gold 11016D (08/26), Powertrain 11017D (08/25), Platinum BEV 11019D (04/26).

New-vehicle plans

Plan	Advertised terms	Notes
Platinum	3 yr/50,000 mi to 10 yr/125,000 mi	Available for bZ4X; towing to nearest authorized servicing facility
Gold	3 yr/50,000 mi to 8 yr/125,000 mi	Many parts beyond Powertrain
Powertrain	6 yr/100,000 mi	Engine, transmission, axle assembly
Platinum BEV	6 yr/75,000 mi to 10 yr/150,000 mi	For electrified vehicles; BEV brochure adds Mobile EV Charging where available

Enrollment: vehicle less than 3 years from first use and up to 36,000 total miles, whichever comes first. Coverage is measured from first use as a new vehicle at zero miles and ends at the selected time or mileage, whichever comes first (not extra years on top of the factory warranty). Available during or after financing or lease.

Used-vehicle, lease and certified plans

Plan	Terms	Vehicle eligibility
Platinum Used and Gold Used	1 yr/12,000 mi to 5 yr/60,000 mi	Current model year + 9 prior; fewer than 150,000 mi
Powertrain Used	Up to 2 yr/24,000 mi	Current model year + 12 prior; fewer than 150,000 mi
Platinum BEV Used	2 yr/24,000 mi to 5 yr/60,000 mi	Same model-year window as Platinum Used; mileage limit differs by source (Section 14)
Toyota Certified Protection	Certified Plan: first 12 months/12,000 mi after certified purchase or lease. Certified Plus: only at certified purchase or lease	Toyota Certified Used vehicle with Limited Powertrain Warranty; current + 6 model years; up to 85,000 mi
VSA Lease Wear	Up to 5 years from lease start	New vehicles, at lease inception only; bZ4X available

Used plans are bought through the dealer only at used-vehicle purchase or lease, and time and mileage run from the agreement application date and mileage. Certified Plan coverage runs from first use as new; Certified Plus runs from certified purchase date and mileage. The web text also labels "Protection Lease" versions of Platinum, Gold and Powertrain whose terms match the used plans; purchase-timing headings for those are inconsistent (Section 14).

Shared provisions (apply across the plans above)

Provision	Detail
Roadside assistance	24/7, 365 days, in the continental U.S. and Canada while the agreement is active, provided through AAA. Towing for covered breakdowns, flat tires (impaired tire replaced with your inflated spare), lockout protection, battery jump start, winching, and fuel delivery of up to 3 gallons no more than twice per calendar month (not for fuel-cell or electric vehicles, which may be towed to an authorized servicing dealer or fueling station). California service follows the same covered-failure condition. Vehicles already carrying Safety Connect roadside assistance get no additional benefit.
Travel protection	Platinum-level plans (Platinum, Platinum BEV, Platinum Used, Platinum BEV Used, Certified Protection, Lease Wear): up to $50/day for rental or substitute transportation, 5 days per occurrence, and up to $100/day for lodging and meals, 5 days over the life of the agreement. Gold-level plans (Gold, Powertrain and their used versions): $35/day for 5 days per occurrence and $50/day, 4 days over the agreement life. Benefits apply only when the vehicle is inoperable from mechanical failure of a covered component. Lodging and meals require being more than 150 miles from home. Valid receipts required; get prior approval at 1-800-228-8559.
Deductible	$0 or $100 disappearing deductible per eligible repair visit on Platinum, Gold, Powertrain and BEV plans. The $100 is waived only if the selling dealer performs the covered repair. Certified Protection: $0. Lease Wear: no deductible.
Transfer	Once, at no cost, from the original owner to a private party; dealers excluded.
Cancellation	Within 30 days: full refund less a $50 processing fee where state law permits. After 30 days: prorated; state policies vary.
Technicians and parts	Factory-trained technicians; used-plan brochures specify Toyota-approved parts. Network of Toyota dealers across the U.S. and Canada.
Ineligible vehicles	Taxis; shuttle, commuter, professional, emergency or police vehicles; salvage vehicles; competitive driving or racing; snow plowing or towing a trailer beyond manufacturer recommendations; vehicles held for hire to the public or to people not affiliated with the owner or lessee (used plans also mention municipal and medical vehicles).
Administration	Toyota Motor Services Company administers VSAs in certain states; not available in all states. In Florida the administrator is Toyota Motor Insurance Company, P.O. Box 661012, Dallas, TX 75265, Florida license 02871.
Terms notice	Covered components are subject to change and only partially listed in brochures. Repairs made without prior approval are not covered. See the agreement.

VSA Lease Wear

- Covers parts and labor for wear-item components for up to 5 years with no out-of-pocket cost at replacement (examples: brake pads, engine belts, windshield wiper blades), plus mechanical breakdown coverage. Not available in all states.
- Roadside assistance line for Lease Wear: 1-800-297-0486. The 09.25 brochure lists extras such as one wheel alignment service and tire service.

Platinum BEV wearable components (BEV brochure)

- Headlamp bulbs and electrical fuses and interior/exterior bulbs: unlimited replacement (excludes light assemblies/housings and LEDs; impact damage not covered).
- Belts and hoses: one replacement of each listed belt and hose (vacuum pump, serpentine, alternator, air pump, air conditioner and water pump belts; heater, bypass, throttle body, upper/lower radiator, air conditioning, air, washer, vacuum and fuel hoses).

Component schedules for Gold, Platinum and BEV are in Appendix A (Section 13).

8. Guaranteed Auto Protection (GAP)

Headline: **GAP helps keep you covered.** Brochure 12001D (09/26) and the web page agree on the following.

Topic	Detail
Filling the gap	Auto insurance usually settles at the vehicle's market value, which can be less than the balance owed. GAP may waive or pay the deficiency balance (less certain fees and charges) between what you owe on the finance or lease contract and the insurance settlement. If a total loss happens without GAP, you are generally responsible for that deficiency.
Covered events	Total loss through theft or accidental damage.
Deductible	In most states GAP covers up to $1,000 of your auto insurance deductible, if GAP is purchased and disclosed separately on the finance or lease contract.
Amounts deducted	Delinquent payments, amounts due to pre-existing damage, taxes, auto insurance deductibles over $1,000 and past-due charges.
Purchase	Only from the dealer at the time you purchase or lease an eligible new or used vehicle. The cost can be added to the finance or lease contract and included in monthly payments (subject to credit approval; not all customers qualify).
Availability	Available in most states; type and availability vary; not available on some finance and lease contracts. May be a waiver by a lender or lessor. Not available for lease customers with a deficiency balance waiver. Available for certain BEVs; confirm with the dealer.
Provider	The provider is your creditor and any assignee of your creditor.

Brochure example (illustrative only)

Line	Amount
Finance or lease contract balance	$30,500
Auto insurance settlement (before deductible)	-$26,000
Subtotal	$4,500
Auto insurance deductible (GAP pays up to $1,000)	+$1,000
Deficiency balance	$5,500
GAP payment	-$5,500
Total owed to financial institution	$0

The actual GAP payment varies with the vehicle's value. Refund rules and claim documents are not stated in the brochure; see Section 11 for the claim process.

9. Prepaid Maintenance Plans

Prepaid plans cover scheduled maintenance (not mechanical-breakdown repair, which VSAs address). Plans are sold only through participating Toyota dealers or the Service Drive, can be rolled into financing payments (subject to credit approval) and include 24/7 roadside assistance. Exact services depend on the vehicle's maintenance guide.

Included no-cost ToyotaCare

Vehicle group	ToyotaCare (no cost)
MY26 and older	2 years or 25,000 miles, whichever comes first
MY27 and newer	12 months or first 2 services per one page; 1 year/10,000 miles per another (Section 14)
Mirai (fuel cell)	3 years or 35,000 miles; enhanced roadside assistance for 3 years regardless of mileage

Plans by product

Product	Eligibility	Terms / services
ToyotaCare Plus (MY26 & older, Service Drive; brochure 02/26)	Eligible for no-cost ToyotaCare; 31,000 miles or less; within 37 months of first use; Mirai excluded. Coverage effective from first use (under 799 miles when placed in service).	Web table: 3 yr/up to 4 services, 4 yr/up to 7, 5 yr/up to 10. Brochure options: 3 yr/35,000 or 45,000 mi; 4 yr/45,000 or 60,000 mi; 5 yr/55,000 or 75,000 mi. Up to 2 major services (30,000/60,000) and 8 minor services (every 5,000 mi).
ToyotaCare Plus Service Drive	Same age, mileage and ToyotaCare criteria; exclusively on the Service Drive.	2 years after ToyotaCare expires, 4 services at 30,000, 35,000, 40,000 and 45,000 miles.
ToyotaCare Plus BEV (brochure 04/26)	Same 31,000-mile/37-month limits; Mirai excluded.	Same six term/mile options as above. Up to 2 cabin air filter changes, 10 tire rotations and 10 multi-point inspections. Roadside adds charging assistance (flatbed tow home or to nearest charging center).
ToyotaCare Plus Mirai (brochure 04/26)	35,000 miles or less and under 36 months from first use.	4 yr/2 services; 5 yr/5 or 8; 6 yr/6 or 13 services (up to 13, every 5,000 mi). Adds cabin air filter, fuel cell air filter, ion exchanger element, tire rotations and multi-point inspections. Optional roadside enhancement: 3 years regardless of mileage with Trip Interruption Reimbursement up to $500/day for up to 5 days per incident.
ToyotaCare Plus (MY27 & newer)	Eligible for no-cost ToyotaCare; no existing prepaid plan; 16,000 miles or fewer (wording varies). Starts at point of sale or when ToyotaCare expires.	2 yr/up to 3 services; 3 yr/5; 4 yr/8; 5 yr/11; 6 yr/13.

Product	Eligibility	Terms / services
Toyota Auto Care (brochure 04/26)	Used Toyotas and new vehicles not eligible for ToyotaCare; no age/mileage limit; coverage starts at point of sale.	1 yr/3 services; 2 yr/5; 3 yr/8; 4 yr/11 (whichever first); older text says up to 4 years/55,000 miles. MY27+ table lists 2 yr/3, 3 yr/5, 4 yr/8, 5 yr/11.
Toyota Service Care (brochure 08/26)	No age or mileage maximum; ToyotaCare expired; no other active prepaid plan; Service Drive only.	2 yr/3 services (7,500-mile oil interval); 2 yr/5 services (5,000-mile interval); 2 yr/5 services (10,000-mile interval). Can be repurchased repeatedly; coverage starts immediately.

Features and provisions

Topic	Detail
Services included	Engine oil and filter changes (synthetic oil may be indicated; check maintenance guide), tire rotations, multi-point inspection with fluid-level adjustment, and other services per the maintenance guide. Air filters: cabin and engine where applicable on ToyotaCare Plus MY27+; BEV only on Auto Care MY27+. Plans may include timed service reminders (Auto Care about 30 days before service; Service Care about every 5,000 miles) and a complete service history at term end.
Roadside assistance	24/7 call center: flat tires (replaced with inflated spare), jump start, lockout protection (no key replacement), emergency fuel delivery (3 gallons, twice per calendar month), towing, winching. Parts and fluids excluded except emergency fuel. No extra benefit if the vehicle already has Safety Connect roadside coverage.
Towing distance	ToyotaCare Plus (all variants incl. Service Drive and BEV) and Mirai: within 25 miles of nearest dealer. Toyota Auto Care and Toyota Service Care: up to 400 miles. Alternative-fuel vehicles may be towed to a charging or fueling station.
Geography	Continental U.S. and Alaska.
Trip interruption	ToyotaCare Plus brochures: reimbursement when the dealer must keep the vehicle overnight and the vehicle is more than 50 miles from the owner's residence.
Transfer	Once to a private party, dealers excluded; $50 transfer fee on the ToyotaCare Plus brochures.
Cancellation	Full refund within 30 days (60 days in California) if no benefits have been paid; otherwise see the agreement or dealer.
Limits	Services or repairs not covered are your responsibility, even if recommended by the dealer or found during a covered inspection. Inspections are not replacement coverage.

The multi-point inspection checklist is in Appendix B at the end of Section 13.

10. Excess Wear & Use Protection

Headline: avoid paying out of pocket for excess wear and use damage at lease-end. **Lease smarter, take control.**

Topic	Detail
What it does	Waives qualifying excess wear and use charges at lease-end, within plan limits.
Maximum	Up to $5,000 in total excess wear and use charges.
Examples	Items beyond normal wear such as interior cuts, burns or stains, plus dents and scratches within plan limits.
Not covered	Excess mileage (the plan does not waive it).
Eligibility	Only when you lease a new or Certified Used Toyota, at lease inception, through a participating dealer. Not available in all states.
Cancellation	Cannot be reinstated after cancellation. Optional, cancelable, not required for credit.
Note	Under certain circumstances TFS does not charge lease customers for excess wear and use damage. See the Lease Addendum for terms.

11. How to File a Claim

Headline: **We're here to help.** Instructions differ by product.

Claim type	How	Phone
VSA repair and prepaid maintenance claims	Visit your Toyota dealer; the dealer can submit the claim.	1-800-228-8559
VSA travel benefits	Get prior approval before incurring expenses; keep valid receipts.	1-800-228-8559
GAP claims	1) Review the GAP FAQs for required documents. 2) Submit and track on the TMISVPP Servicing Portal. 3) For help, contact your lender or lessor.	TFS-financed or leased: 1-800-874-8822
GAP - lenders	Review GAP FAQs; begin or update a claim on the TMISVPP Servicing Portal.	1-800-255-8713
Tire & Wheel / Key Replacement	Call directly or have the dealership contact on your behalf (the page's final claim block; a supplied guide ties this line to Tire & Wheel and Key).	1-855-999-0518
VSA Lease Wear roadside	Roadside assistance for Lease Wear agreements.	1-800-297-0486
General TFS assistance	Monday-Friday, 8 am - 8 pm customer local time.	1-800-874-8822

12. Planning Tools, Explore Financing and End of Lease

Planning Tools - Ways to Pay

- **Pay online:** schedule one-time or recurring payments from a bank account (need full account and routing numbers); log in to your TFS account and add bank info; register if needed.
- **myTFS app** (iOS and Android) and **Toyota App** payments: link a TFS web-registered account; accounts in bankruptcy or repossession cannot link; the vehicle VIN in the Toyota App garage must match the TFS account; a bank account must be set up on myTFS.
- **Phone:** automated phone payment system, 24 hours a day, 1-800-874-8822; have bank routing and account numbers ready.
- **Mail:** check and payment stub to the address on your monthly statement.
- **AutoCheque:** automatic monthly debit; download, complete and submit the form.
- TFS cannot process cash, credit card or debit card payments.

Planning Tools - Apply for Credit and FAQs

- The consumer Apply for Credit page was not captured. The business credit page asks for a credit application, proof of corporate existence and name (such as articles of incorporation), proof of signers' authority (such as a certified resolution) and financial documentation (such as two years of tax returns).
- FAQs captured: what Voluntary Protection Products are; payment methods.

Explore Financing

Item	Detail
Finance programs hub	Options for purchase or lease whether credit history is long or short.
Buy a Toyota	A finance contract to own the vehicle, free of mileage limits and lease-end obligations.
Lease a Toyota	A new Toyota every few years with lower monthly payments; options include 1 Pay Lease, Low Mileage Lease (12,000 miles per year, 24-60 month terms on new Toyotas) and Multiple Security Deposit Lease (new and certified).
Understanding Credit	Explains credit, the factors behind a credit score (length of history, open lines, types of credit, limits and usage), and that credit has costs. Educational only, not financial or legal advice.
Toyota Rewards Visa	5 points per $1 at Toyota dealerships, 2 points per $1 on gas, dining and entertainment, 1 point per $1 elsewhere; redeem for service, parts, accessories and eligible vehicle purchases. Issued by Comenity Capital Bank; subject to credit approval.
Rebates	College and Military rebates and current APR and cash offers are in Section 11A.

End of Lease Options

- **Options:** turn in the vehicle and buy or lease a new Toyota, or purchase the vehicle you drive; other options may be available from your dealer. A Lease-End Guide provides checklists for before, during and after return.
- **Early return:** allowed before maturity but early termination fees may apply; contact TFS at 1-800-286-0652.
- **Return process:** only your originating dealer is required to accept the return; notify TFS through the website or app Lease End prompts to avoid delays. Return original equipment and keys or additional charges may apply. Cancel any automated payments afterwards.
- **Charges:** may include excess mileage and, for early termination, other lease-agreement charges.
- **Wear & Use:** schedule a courtesy pre-inspection with your dealer; condition reports itemizing estimated charges are available right after, including in the Document Center of the mobile app. Protection against these charges is described in Section 10.
- Tabs not captured in detail: Lease-End Videos, Mileage, Return Your Vehicle.

12A. Current Rebates, Cash Incentives and Special Financing (as of 24 Oct 2026)

Offers shown run through **November 2, 2026** (Toyota's pages mark them "Exp. 11/02/26"), so about nine days remain from the compile date. Offers vary by region, trim and credit approval, and often require financing or leasing through Toyota Financial Services. Confirm on toyota.com or with a dealer; this is not financial advice.

How this section was checked

The text you supplied was compared with what Toyota's local specials page and other search results show. Toyota's national specials pages you linked could not be opened directly here, so each line carries a status: **Confirmed** (Toyota's specials page), **Dealer** (a Toyota dealer page, which may be regional), **Third-party** (a listing site), or **Not found**.

National cash programs

Program	Offer	Status and eligibility notes
College Rebate	$500 on select new unlicensed Toyotas financed or leased through a Toyota dealer and TFS, for current students and recent graduates.	Confirmed (Exp. 11/02/26, multiple series). Earlier Toyota.com terms: enrolled in a graduate degree program, or enrolled in or graduated within two calendar years from an eligible school; proof of present or future employment starting within 120 days of credit approval; credit approval required.
Military Rebate	$500 cash for active military, reserve, retirees, veterans within two years of discharge, and qualifying household members, through TFS.	Confirmed (Exp. 11/02/26, multiple series). A Toyota.com regional page lists AL, FL, GA, HI, NC and SC as excluded; check your region.
Combining	College and Military rebates cannot be combined with each other or with the Lease-End Refi program.	From earlier Toyota.com terms.

Model-specific cash incentives

Model	Your text	What the sources show	Status
Tundra	$1,000 total cash on i-FORCE MAX on select deals	$1,000 Customer Cash on gas trims (22 trims). Toyota's wording is gas trims, not i-FORCE MAX.	Confirmed, but differs
Tacoma	(not in your text)	$500 TFS Finance Subvention Cash with 4.99% APR for 60 months on 6 trims.	Confirmed
bZ	Up to $3,250 lease cash or $250 finance subvention cash	No match found. California dealer page: $3,500 instant rebate for eligible first-time BEV buyers (MyFirstEV: $1,750 Toyota plus $1,750 CARB) and $2,500 for prior BEV owners (MyNextEV), exp. 11/2/2026.	Not found; regional offer differs

Model	Your text	What the sources show	Status
C-HR	$1,750 to $5,000 customer cash by region	No official listing found.	Not found

Special APR financing (Exp. 11/02/26)

Model	Your text	What the sources show	Status
Tundra	Special APR around 2.99% (Tundra / Tacoma i-FORCE MAX)	1.99% APR for 72 months on 22 trims	Confirmed, but differs
Tacoma	(not in your text)	4.99% for 60 months on 15 trims, and on 6 more trims with the cash noted above. One dealer page: 3.99% for 48 months excluding SR5.	Confirmed; dealer varies
bZ and Prius Plug-in Hybrid	As low as 1.99% APR for select terms	1.49% APR for 72 months on a new 2026 bZ and Prius Plug-in Hybrid (California dealer page). bZ Woodland: 2.25% for 72 months (dealer page, valid 10/1 to 11/2/2026).	Dealer; differs from your text
Camry, Highlander, Grand Highlander, RAV4 (incl. RAV4 Plug-in Hybrid)	About 4.99% APR for 48 months, higher for 60 to 72 months	4.99% for 48 months confirmed on Toyota's page. A listing site shows RAV4 at 4.99% for 36 and 48 months, 5.99% for 60, 6.99% for 72.	Confirmed; longer terms third-party
Corolla	About 4.99% for 48 months	4.99% for 48 months on dealer pages.	Dealer
4Runner	(not in your text)	5.99% for 60 months on select 2026 models; 6.99% for 72 months, 4.99% for 36 months (dealer page).	Dealer
Certified Used (Gold)	5.49% APR up to 72 months on select models	5.49% for 72 months on select Gold Certified models; 1.49% for 72 months on Gold Certified bZ and bZ Woodland; Silver Certified 6.49% for 60 months.	Third-party (Carfax)

Dealer pages also show dealer-funded 0% APR deals on some models and trade-in or stock-only conditions; those are dealer-specific and are not national TFS programs. Monthly cost examples on dealer pages: 4.99% for 48 months is about $23.02 per $1,000 financed; 5.99% for 60 months is about $19.33 per $1,000.

The supplied text's general figures (for example "up to $5,000" on C-HR) came from a mix of Toyota, KBB and CarsDirect pages that could not all be opened here. Treat any line marked "Not found" or "differs" as unverified until a dealer or toyota.com confirms it.

13. Appendix A - VSA Covered-Component Schedules

Brochures list covered parts "partially" and note components are subject to change; the agreement controls. To avoid repeating the long overlap, Gold is listed in full, Platinum shows only what it adds beyond Gold, and Powertrain and BEV follow.

A.1 VSA Gold - covered components (full list)

Engine (all internally lubricated components, and): Balance Shaft; Camshaft; Crankshaft; Crankshaft Pulley; Cylinder Heads; Engine Block; Engine Mounts; Engine Oil Reservoir; Engine Oil Reservoir Pump; Equipment Drive Shaft; Exhaust Manifolds; Flexplate; Flywheel; Idler Pulley; Intake Manifold; Oil Pan; Oil Pressure Switch; Oil Pump; Oil Sending Unit; Piston; Seals and Gaskets; Supercharger; Supercharger Intercooler; Tensioners; Timing Belt; Timing Chain; Timing Cover; Timing Gears; Turbo Intercooler; Turbo Wastegate; Turbocharger; Valve Covers; Water Pump.

Manual Transmission (transfer case internally lubricated components, and): Clutch Master Cylinder; Clutch Release Cylinder; Gears and Shafts; Hoses, Lines and Tubes; Seals and Gaskets; Shift Linkage and Cables; Transfer/Transmission Case; Transmission Mounts; Shift Lever Knob.

Automatic Transmission (transfer case internally lubricated components, and): Hoses, Lines and Tubes; Seals and Gaskets; Shift Linkage and Cables; Solenoids; Torque Converter; Transfer/Transmission Case; Transmission Mounts; Vacuum Modulator; Shift Lever Knob.

Axle Assembly (front, rear, 4WD, AWD; internally lubricated components, and): 4x4 Actuators; Axles and Bearings; Center Support Bearing; Constant Velocity Boot Band; Constant Velocity Joints and Boots; Differential Carrier Assembly; Drive Axle Housing; Drive Shaft; Hubs; Locking Hubs; Seals and Gaskets; Thrust Washers; Universal Joints; Viscous Coupling.

Suspension (front and rear): Bushings/Bearings; Control Arm Shafts; Electronic Suspension Actuator/Motor and Compressor; Radius Arm; Spindle; Spindle Support; Steering Knuckle; Sway Bar Link; Upper and Lower Ball Joints; Upper and Lower Control Arms.

Steering (gear box internal components, and): Bushings/Bearings; Center Link; Hoses, Lines and Tubes; Idler Arm; Pitman Arm; Power Steering Pump; Power Steering Pump Pulley; Rack and Pinion; Seals and Gaskets; Steering Column; Steering Column Coupling; Steering Column Shaft; Steering Dampener; Steering Gear Box and Pump Housings; Tie Rod End.

Fuel System: Air Flow Meter; Carburetor; Diesel Fuel Injection Pump; Electric Fuel Pump; Electronic Fuel Injection System; Fuel Injectors; Fuel Pressure Regulator; Fuel Pump; Fuel Sending Unit; Fuel Sensors; Fuel Tank; Throttle Body.

Cooling System: Cooling Fan Relay; Cooling Fan Sensor; Engine Cooling Fan Motor; Engine Fan; Engine Fan Clutch; Engine Fan Motor; Engine Fan Shroud; Fan Bracket Subassembly; Radiator; Seals and Gaskets.

Air Conditioning/Heating: Air Conditioning Lines and Tubes; Air Conditioning Pressure Switches; Air Temperature Control Programmer; Blower Motor; Blower Motor Resistor; Compressor; Compressor Clutch Assembly; Compressor Pulley; Condenser; Condenser Fan and Motor; Evaporator; Evaporator Temperature Sensor; Expansion Valve; Heater Control Head; Heater Control Valve; Heater Core; Idler Pulley; Pressure Regulator Assembly; Receiver/Dryer; Schrader Valve; Seals and Gaskets.

Brakes: Anti-Lock Braking/Traction Control Actuator, Pump and Motor; Brake Booster; Brake Hoses, Lines and Tubes; Disc Brake Calipers; Load-Sensing Proportioning Valve; Master Cylinder; Parking Brake Cable; Proportioning Valve; Seals and Gaskets; Wheel Cylinders.

Electrical: Alternator; Automatic-Off Headlamp Sensor, Timer and Switches; Automatic Shoulder Belt Motor and Switches; Automatic Temperature Control Unit; Blower Motor; Blower Motor Resistor; Clutch Starter Interlock Switch; Convertible Top Motor; Cruise Control Actuator/Servo; Cruise Control Sensors and Switches; Cruise Control Vacuum Motor; Defogger Relay; Distributor; Engine Cooling Fan Motor; Headlamp Washer; Ignition Coil; Lamp Failure Indicator Sensor; Manually Operated Switches; Power Antenna Motor and Cable; Power Door Lock Actuator; Power Mirror Defogger; Power Mirror Motor; Power Seat Motors; Power Sliding Door Motor; Power Window Motor/Regulator; Retractable Headlamp Motor; Smart Entry and Start System Switch, Sensor and Electronic Control Unit; Starter Motor; Starter Solenoid; Stop Light Switch; Sunroof Motor; Windshield Washer Pump; Wiper Motor.

Computers and Electronics: Anti-Lock Braking/Traction Control Computer and Sensors; Automatic Shoulder Belt Computer; Body Control Module; Cruise Control Computer; Electronic Ignition Unit; Electronically Controlled Transmission/Transfer Case Computer and Sensors; Electronically Modulated Suspension Computer; Engine Control Computer; Knock Sensor; Power Mirror Electronic Control Unit; Power Seat Computer; Progressive Power Steering Computer; Sunroof Control Computer and Relay; Tilt/Telescoping Steering Computer; Trip Computer; Vehicle Security Computers and Sensor; Wiper Module.

Hybrid/Alternative Fuel: Actuator Assembly Shift Control; Hybrid Vehicle Generator Assembly; Hybrid Vehicle Motor Assembly; Hybrid Vehicle Transaxle Assembly; Transmission Input Damper Assembly; Battery Computer Assembly; Battery Current Sensor; Boost Charging Inlet and Plug-in Electronic Control Unit; Circuit Breaker Sensor; Combination Meter Assembly; Combination Meter Computer; Fuel Cell Water Pump; Fueling Receptacle; Hybrid Vehicle Battery Blower Assembly; Hybrid Vehicle Battery Blower Motor Control; Hybrid Vehicle

Battery Thermistor; Hybrid Vehicle Control Computer; Hydrogen Pipes and Manifolds; Inverter Assembly with Converter; Main Switch Assembly; Power Source Control Computer Assembly; Power Steering Electronic Control Unit Assembly; Power Steering Gear Assembly; Pressure Sensors; Reducing Valve; Shift Lever Position Sensor; Skid Control Computer Assembly; Steering Column Assembly; Transmission Control Module.

A.2 VSA Platinum - components in addition to Gold

Platinum covers everything above plus the following (the brochure uses gray vs. red text to show which parts the factory Limited Powertrain Warranty covers; that distinction is not recoverable from text, so see the brochure).

Engine (all internally lubricated components, and): Air Control Valve (ACV); Air Pump; Catalytic Converter; Crankcase Ventilation Valve; Exhaust Gas Recirculation Valve; Exhaust Manifold Heat Insulator; Exhaust Pipe Gasket; Mixture Control Valve; Oil Cooler; Oil Filter Bracket Subassembly; Pair Valve (Reed Valve); Supercharger Bypass Valve; Supercharger Relay; Thermal Vacuum Valve; Thermostatic Valve; Vacuum Switch; Vacuum Switching Valve; Vacuum Transmitting Valve.

Manual Transmission (transfer case internally lubricated components, and): Clutch Pedal Subassembly; Control Position Indicator Subassembly; Master Cylinder Reservoir; Radial Ball Bearing (for Clutch Release) and/or Clutch Fork; Shift Lever Boot and/or Retainer.

Suspension (front and rear): Front and Rear Coil Springs; Front and Rear Stabilizer Bar; Front Leading Arm; Front Spring Assembly; Strut Rod; Suspension Spring Shackles; Torsion Bar Spring; Upper Arm Shaft.

Steering (gear box internal components, and): Horn Contact Ring; Knuckle Stopper Cover.

Fuel System: Charcoal Canister; Fuel Filler Opening Lid Hinge Spring.

Cooling System: Coolant Level Sensor/Tank; Engine Coolant Temperature Switch or Sensor (at radiator); Equipment Drive Pulley; Thermostat.

Air Conditioning/Heating: Air Conditioning Heater Box Assembly; Cooler Control Switch; Damper Servo; Defroster Control Cable.

Brakes: Brake Pedal Subassembly; Parking Brake Control Handle Assembly; Parking Brake Lever Subassembly; Parking Brake Pedal Subassembly; Rear Brake Backing Plate.

Electrical: Battery to Ground Cable; Battery to Starter Cable; Charge Warning Relay; Door Control Relay; Engine Coolant Temperature Gauge and Sending Unit; Engine Coolant Temperature Receiver Gauge and Sending Unit; Engine Tachometer; Fuel Gauge and Sending Unit; Fuel Receiver Gauge and Sending Unit; Guide Rail Limit Switch; Headlight Control Relay; Horn; Horn (for theft deterrent); Ignition Switch Lock Cylinder and Key Set; Integration Relay; Lock Cylinder Set; Main Relay; Oil Pressure Receiver Gauge and Sending Unit; Rear Shock Absorber Control Actuator; Shoulder Belt Drive Motor; Spark Plug Resistive Cord; Speedometer; Sunroof Cables; Taillight Control Relay; Turn Signal Flasher; Unlock Warning Buzzer; Windshield Wiper Link Assembly; Wiper Control Relay; Wiring Harnesses.

Computers and Electronics: Airbags; Airbag Sensors; Antenna Cord; Circuit Opening Relay; Compact Disc (CD) Player; Front Seat Airbag Assembly; Graphic Equalizer; Navigation System; Radio Tuner; Steering Sensor; Stereo Component Amplifier; Tape Player; Traction Control Computer; Variable Induction System.

Additional Components: Accelerator Pedal and/or Bracket Subassembly; Accelerator Pedal Rod Assembly; Back Door Lock Assembly; Convertible Roof Hook; Door Handles; Door Lock Cylinder; Front and Rear Door Lock Assembly; Front Seat Belt; Glove Compartment Door Lock Cylinder; Glove Compartment Door Latch Subassembly; Hinges; Hood Lock Assembly; Hood Lock Control Cable Assembly; Hood Support Assembly; Rear Seat Belt; Reclining Seat Back Adjuster; Removable Roof Lock Handle; Seat Track Assembly; Shoulder Belt Guide Rail Assembly; Sliding Roof Drive Cable; Sliding Roof Guide Rail; Tail Gate Lock Assembly; Tilt Roof Lock Handle Assembly.

A.2b Platinum parts NOT covered

Accessory Drive Belts; Batteries; Body Panels; Brake Linings, Pads, and Shoes, Rotors and Drums; Bumpers; Carpet; Chrome; Clutch Friction Disc and Pressure Plate; Dash Cover and Pad; Door Fabric; Door Trim; Filters; Fluids; Fuel Cell Air Compressor; Fuel Cell Boost Converter; Fuel Cell Electronic Control Unit; Fuel Cell Hydrogen Tanks; Fuel Cell Power Control Unit; Fuel Cell Stack; Fuel Cell Vehicle Battery Pack; Glass (including Windshields); Headliner; Heating Hoses, Lines, and Tubes; Hoses; Hybrid Vehicle Battery Pack; Hybrid Vehicle Battery Plug Assembly; Hybrid Vehicle Relay Assembly; Hybrid Vehicle Supply Battery Assembly; Hydrogen Fueling Electronic Control Unit; Interior and Exterior Trim and Moldings (including but not limited to: Ashtrays, Covers, Cup Holders, and Vents); Lamps, Light Assemblies/Housings, and Light Bulbs; Nuts, Bolts, Clips, Retainers, and Fasteners; Paint; Rust and Corrosion Damage; Seat Covers; Sheet Metals; Shiny Metals; Spark Plugs; Structural Framework and Welds; Tires; Vacuum Hoses, Lines, and Tubes; Weather Stripping; Wheels and Rims; Windshield Wiper Blades (rubber component); All interior and exterior cloth, leather, and stitching including convertible tops and/or vinyl tops.

A.3 VSA Powertrain - covered components

Powertrain covers only five categories, each a short subset of the Gold items in A.1: engine (internally lubricated parts plus the major block, head, shaft and mount components); manual and automatic transmission (including transfer case internals, seals, gaskets, hoses, lines and tubes, and for manual transmissions the clutch master and release cylinders, gears and shafts); axle assembly (internals, seals/gaskets, bearings, bushings and driveshafts for all drive types); and hybrid/alternative fuel (generator, motor and transaxle assemblies and the transmission input damper). The brochure lists these only in summary.

A.4 VSA Platinum BEV - differences from Platinum

The BEV brochure lists its own parts. Instead of repeating items already shown above, each BEV category below shows what BEV **adds** and, where short, which Platinum items it does **not** list. Categories not shown here (engine, manual transmission, fuel system, hybrid/alternative-fuel as such) are not in the BEV list.

BEV Control System: adds Battery Reserve Tank Assembly; Electric Converter Unit Assembly; Rear Transaxle Motor Cooling Cooler; Motor Cooling Cooler; Radiator Assembly; Inverter Water Pump; EV Supply Battery Assembly; Traction Battery Device Box; Cooling Fan Motor with Controller; Compressor with Motor Assembly; Position Switch; Transmission Floor Shift Assembly; Shift Control ECU; Accelerator Pedal Assembly; Stop Light Switch Assembly; Paddle Shift Switch; Battery State Sensor Assembly; Brake Actuator Assembly; Skid Control ECU; Air Conditioning Amplifier Assembly; Airbag ECU Assembly.

Automatic Transmission (transfer case internally lubricated components, and): same items as Platinum.

Axle Assembly (front, rear, 4WD, AWD eAxle; internally lubricated components, and): adds Temperature Sensor; Motor Resolver; Motor Temperature Sensor; Electric Motor Speed Reduction Unit; Front EV Motor Control Inverter Assembly; MG ECU; Coolant Temperature Sensor; Inverter Current Sensor.

Suspension: adds Front Stabilizer Link Assembly; Front Stabilizer Bar; Stabilizer Bush; Rear Suspension Support Assembly; Rear Spring Bumper; Rear Shock Absorber Cap; Dust Cover; Coil Spring; Coil Spring Insulator; Cross Section of Rear Upper Control Arm Assembly; Cross Section of Rear Trailing Arm Assembly; Rear Stabilizer Link Assembly; Rear Stabilizer Link Bush; Rear Stabilizer Bar. 18 Platinum item(s) in this category are not listed for BEV.

Steering (gear box internal components, and): adds Steering Sensor; Power Steering ECU with Motor Assembly; EV Control ECU; Rotation Angle Sensor; Power Steering Motor; Input Shaft; Yoke; Output Shaft; Torsion Bar; Multipole Magnet; Magnetic Convergence Ring Assembly. 1 Platinum item(s) in this category are not listed for BEV.

Cooling System: same items as Platinum. 8 Platinum item(s) in this category are not listed for BEV.

Air Conditioning: adds Air Conditioning Amplifier Assembly. 5 Platinum item(s) in this category are not listed for BEV.

Brakes: adds Brake Actuator Assembly; Brake Master Cylinder Reservoir Assembly; Linear Solenoid Valve; Gap Hold Valve; Stroke Simulator Cut Valve; Stroke Simulator; Brake Actuator; Servo Pressure Sensor; Stroke Simulator Pressure Sensor; Master Cylinder Pressure Sensor; Solenoid Relay; Motor Relay; Pressure Holding Solenoid Valve; Pressure Reduction Solenoid Valve; Speed Sensor; Steering Sensor; Stop Light Switch Assembly; Electric Parking Brake Switch Assembly; Brake Pedal Stroke Sensor Assembly.

Electrical: same items as Platinum. 16 Platinum item(s) in this category are not listed for BEV.

Computers and Electronics: same items as Platinum. 1 Platinum item(s) in this category are not listed for BEV.

Additional Components: same items as Platinum.

Note: BEV Control System covers the Platinum hybrid/alternative-fuel items under renamed 'vehicle' entries; the generator assembly is covered if battery capacity drops below 70%.

A.4b BEV items NOT covered

The BEV exclusion list matches Platinum's (A.2b) except: BEV also names Auxiliary Batteries; Lines and Tubes; Lamps, Light Assemblies/Housings; it excludes lamps and light assemblies/housings but, unlike Platinum, does not list light bulbs (bulbs are covered as wearable components); and it does not name accessory drive belts, batteries, clutch parts, hoses, spark plugs or the fuel cell and hybrid high-voltage items that Platinum's list names.

Appendix B - Multi-point inspection (prepaid maintenance)

Varies by model; inspection is not replacement coverage. Items can include: fluids inspected and replenished; brake master cylinder, linings and pads; coolant; clutch master cylinder (manual transmission); differential; steering components (some plans); suspension and shock absorbers; transfer case (4WD models); transmission; windshield washer; air filter; axle boots (damage/leaks); drive belts (cracking/damage/wear); exhaust system/muffler; hoses (cracking/leaks); PCV valve (if applicable); tire pressure (check and adjust); tire wear; windshield wipers.

14. Conflicts and Gaps Between Sources

Where two uploaded or retrieved sources disagree, both are shown and neither is silently corrected. Check your agreement.

Topic	Source A	Source B
Platinum BEV Used mileage	Web text: fewer than 150,000 miles	BEV brochure 11019D (04/26): up to 70,000 total miles
ToyotaCare Plus MY27+ shortest plan	Intro text: 2 years/2 services	Table: 2 years/up to 3 services
ToyotaCare Plus MY27+ mileage	"16,000 miles or fewer"	"less than 16,000 miles" in the supplied guide's reading
No-cost ToyotaCare MY27+	12 months or first 2 services	1 year/10,000 miles
Toyota Auto Care MY27+	Narrative: up to 4 years (55,000 miles / 11 services)	Table includes a 5-year/11-service option
Auto Care MY26 and older table	Web table has malformed entries ("4 Years or 1 Services")	Brochure: 1 yr/3, 2 yr/5, 3 yr/8, 4 yr/11 services
Auto Care eligibility	Web: ToyotaCare must be expired (older group)	MY27+: vehicle must not have been eligible for ToyotaCare
Plus Service Drive timing	"2 additional years after ToyotaCare expiration"	Also measured from date of first use; agreement resolves
ToyotaCare Plus towing vs Auto Care towing	25 miles (ToyotaCare Plus family)	400 miles (Auto Care and Service Care)
Roadside territory	VSA roadside includes Canada (Section 7)	Prepaid maintenance roadside is continental U.S. and Alaska; only the Auto Care brochure adds Canada (Section 9)
Protection Lease headings	Some headings say finance only	Text says purchase or lease
GAP example figures	Older brochures: $20,000 settlement / $4,000 GAP payment	12001D (09/26): $26,000 / $5,500 (used in Section 8)
Key Replacement lockout	Web page: lock-out assistance, no amount	Brochure: up to $100 per occurrence

Not supplied anywhere: prices; state amendments; complete exclusions beyond the lists in Appendix A; GAP refund calculations; term options for Toyota Certified Protection; full BEV battery-warranty interactions.

15. Complete Navigation and Capture Status

Every tab in the menu. The page-fetching tool opens only URLs that surface in search results, so some tabs could not be retrieved. Logged-in areas (Dashboard, Payments, Manage Account, Support Center) need a customer login.
